

French

Key skills developed in this work:

- Listening skills. This is not tested in the end of Year 13 exam, but it is an important skill to use when learning a language and using it in real life
- Reading and comprehension skills
- Writing skills
- Speaking skills

Research work:

- Research current issues in French speaking countries (France, Canada, Senegal, Cameroon, Gabon, Luxembourg, etc.)
- Read the news in French – look at websites below
- Look more in depth at grammar in French (specifically on the subjunctive)

Website links:

- <https://www.lemonde.fr/> (newspaper in France)
- <https://quizlet.com/en-gb> (great for vocabulary and grammar)
- <https://conjugemos.com/activities/french/verb/1> (excellent for grammar)
- <https://www.newsinslowfrench.com/> (excellent user-friendly articles and videos)
- <https://theday.co.uk/> (can choose French and there are activities to use)

Appropriate additional reading:

Kiffe Kiffe Demain
Candide
No et moi

These are the novels you will be studying, so any research before and (or reading the books in English) about the books and the authors will help prepare you.

Tasks to complete:

- <https://app.senecalarning.com/dashboard/join-class/cpwkid9231> (these are basic IGCSE revision exercises. Once these are done we can assign you more.)

Other:

- There are many radio stations in French that are good to listen to and many of these are available on YouTube.
- On Netflix add French subtitles to your favourite shows. There are also a lot of French language TV shows and films (remember the age appropriate category)
- Duolingo is an excellent way to revise the basics and it is good fun too
