

## Spanish

### Key skills developed in this work:

- Listening skills. This is not tested in the end of Year 13 exam, but it is an important skill to use when learning a language and using it in real life.
- Reading and comprehension skills.
- Writing skills.
- Speaking skills.

### Research work:

- Research current issues in Spanish speaking countries (Spain, Venezuela, Argentina, Cuba, Nicaragua, Guatemala, etc.)
- Read the news in Spanish – look at websites below
- Look more in depth at grammar in Spanish (specifically on the subjunctive)

### Website links:

- <https://www.elmundo.es/> and <https://elpais.com/> (newspapers in Spanish)
- <https://quizlet.com/en-gb> (great for vocabulary and grammar)
- <https://conjuguemos.com/activities/spanish/verb/1> (excellent for grammar)
- <https://www.newsinslowspanish.com/> (excellent user friendly articles and videos)
- <https://theday.co.uk/> (can choose Spanish and there are activities to use)

### Appropriate additional reading:

Sab  
El amor en los tiempos de colera  
Las ataduras

### Tasks to complete:

- <https://app.senecalearning.com/dashboard/join-class/9f4okrq6k5> (these are basic IGCSE revision exercises. Once these are done, more can be assigned to you)

**Other:**

- There are many radio stations in Spanish that are good to listen to and available on YouTube.
- On Netflix you can add subtitles to your favourite shows and there are also a lot of Spanish language TV shows and films now (remember the age appropriate category).
- Duolingo is an excellent way to revise the basics and it is good fun too.
