1. Thinking of studying A Level Business Studies?

Economics is all around us it affects everything we do such as going to school, buying clothes, the food we eat and where it comes from and how governments operate. Recent events such as BREXIT and the recent health situation has brought about many changes to Economies around the world. It is a truly fascinating time to be studying the subject. It is a highly analytical and evaluative subject. We teach the <u>Cambridge International AS & A Level Business</u> <u>Studies specification (9609)</u>.
