Civvy or Dress Down Days

For all key stages, we expect students to dress appropriately for civvy days and dress down days. As such, we ask that students comply with the following rules and expectations for civvy days.

- No spaghetti straps, strapless tops or tank tops (vests)
- No suggestive writing or other articles of clothing expressing any type of profanity (which includes inappropriate/vulgar messages or images)
- Skirt/Skort/Short length must be an appropriate length for school
- No baggy clothing that could reveal underwear or undershirts
- No midriffs, backless shirts/T-shirts (stomachs and lower back must not be seen)
- No see-through leggings or bottoms
- Modest necklines, meaning no deep V-neck tops or revealing shirt collars
- Appropriate footwear, no heels or flip flops and sandals need to be heel wrapped. Crocs are acceptable.
- No pyjamas or no bedroom slippers/loafers

Please note that the School has the final decision on suitability concerning whether clothing is appropriate for school on civvy days, and any decision will be at the discretion of the Pastoral and High School Leadership team.

Uniform Infractions

All other uniform offences (this includes wearing PE kit on a non-PE days) will be logged by members of staff. If the issue persists (more than once), then students will be given a lunch time detention following by an after-school pastoral detention to rectify the behaviour. Thereafter, contact home will be made with parents. If the issue persists, students will be sent home to ensure that uniform standards are in line with the school expectations.

Skirt or Skort Length

Skirt length should be as stipulated above. All skirts ordered through Lands' End must not be altered. If a student's skirt is deemed inappropriate, then this will be handled by Pastoral Team on a case-by-case basis. Contact home will be made first to parents/guardians, to allow parents/guardians to have the conversation with the student. The school would ask that guardians provide an alternative option (such as trousers or knee length shorts) in the interim whilst a new skirt or skort order is being made.

If guardians are not able to provide an alternative, then the school will loan students a skort/skirt from the uniform store until the new order for a skirt/skort has arrived. Any further offence will be seen as defiance and students will be sent home.

Jewellery confiscation

Excess jewellery worn outside the requirements listed above, will lead to immediate confiscation upon sight by any member of staff.

- 1st incidence – students will pick up their jewellery from the school office at the end of the day.
- 2nd incidence – 3 Days
- 3rd incidence – 1 week
- 4th incidence – until the end of term and item is collected by a parent/ guardian.
- Any further offence will be seen as defiance and contact home will be made with parents regarding the continued behaviour issue.

Lunch time clubs, after school fixtures & Interhouse Competitions

When students attend sporting clubs during lunch time, and it is not a PE day, then the students can choose to either come into school in their PE kit or full uniform. At lunch time, if in their school uniform, then students will then make their way to the canteen to get their food and change into their PE kit for their club. Students should ensure they have ample time to change into their school uniform for period 5.

If they have an inter-house event, they must follow the same policy as clubs, if they have signed up to the inter-house event under the 'no name, no game' ruling.

For after-school fixtures, they come into school in their regular uniform and change into the correct fixture kit at lunchtime time. Unless P.E. have given specific permission to wear their kit in the morning and e-mailed to the form tutors beforehand (or the morning of the event).

Vertical Learning

If students have a vertical learning lesson which requires kit, then the students can choose to either come into school in their PE kit or full uniform. If they choose to wear school uniform, then they must change at the start of P6 for their VL lesson. If, however, students VL is time is time sensitive, then with the express permission of the VL teacher, students may change at lunch time to prepare for VL P6.

Drama Kit – KS4 & KS5 only

For key stage 4 and 5 drama students, on the days that students have Drama, students can choose to come to school with their drama kit (black T-shirt purchased from the drama department and black bottoms, including leggings and tracksuit bottoms and PE shorts, all of which should be well fitting and not have any transparent sections). Crocs, slides, flip flops or similar shoes are NOT acceptable. These students will remain in their drama uniform until the end of the school day.

Academic Awards

The purpose of Academic Awards is to recognise academic excellence, accomplishments in other fields and or exceptional commitment to the school.

Subject Awards

Awards are given to students at the end of each term

- Faculty Heads nominate students in two categories per subject – Effort and Attainment
- One subject award is given for each category, per year group at each end of term Awards Ceremony.

Principal's Award

This Award is presented to the top 3 boys and top 3 girls for overall academic attainment in each year group, as per the 'working at grade' or assessment grade, as collated in SIMS.

Great Learner Awards and Greatest Learner Awards:

- Great Learner Awards are presented each term to the students who have demonstrated the best effort in learning, behaviour for learning and organisation, based on their reports for that term. The top 5 girls and top 5 boys are awarded, as calculated using their grades in these areas, averaged across all their subjects.
- The Greatest Learner award goes to the students who have the highest averages over the three terms. The top 5 girls and top 5 boys are awarded for each year group.
- Greatest Learner Awards are presented at the end of the Academic Year to students in Year 7, 8, 9 and 10.
- Students in Year 11, 12 and 13 will be awarded Greatest Learner Awards at the end of the second term.

Most Improved:

- The most improved award is presented each term to the students who have shown the most overall improvement in their average 'working-at' or assessment grades since their last report.
- The award is given for the top 5 boys and the top 5 girls.
- The award will be presented in Terms 1-3 for years 8-10, in Terms 2-3 for year 7, and in Terms 1-2 for years 11-13.

Attendance Certificates

Certificates and badges will be presented at the end of each term to students who have achieved 100% attendance.

- 100% attendance. No days of school missed.

Extra-curricular awards for KS3/4/5

House Colours: Nominated by Heads of House and the House Coordinator and awarded at the end of each term.

- **Half colours:** awarded to outstanding students who represent or contribute towards their House's progress and success with pride and consistency.
- **Full colours:** after receiving half colours, students may be awarded full colours for their continued outstanding commitment, effort and pride when representing their house

Community Action Service Awards

- Awarded at the end of winter and spring term to students who have shown leadership or organisational skills that have had an impact within the community. Nominated by peers and tutors. Selected by the Pastoral Team.

The House System

On joining the High School students are allocated to a House by the House Coordinator. Existing students are allocated to the same house they represented in the Primary School. New students are allocated in such a way as to keep a balance of House members in each year group, or in line with other family members with previous association to the school. Teachers and parents are allocated the same House as their child, if applicable. As well as sporting activities there are opportunities to take part in other academic events. In addition to House Honours, all House Points earned are collated and a House Cup is awarded at the end of each term to the House with the highest total number of House Points accumulated from all House events throughout the year. The House Competition year runs from Easter until Easter the following year, to enable every student the opportunity to celebrate the success of their House. The House Cup is awarded at the Easter Awards ceremony.

There are three Houses named after United Church Ministers who were heavily involved in the United Church in Grand Cayman in the 1800's and early 1900's - **Redpath (Red)**, **Elmslie (Green)** and **Young (yellow)**. Each House is represented by a different colour. Students purchase a PE kit in their House colours. All House Points are recorded in the student profile on SIMS.

House Honours

House Points are awarded to honour individuals who excel through personal and team endeavour. Students receive a House Honours Certificate from their Head of House as they accumulate House Points in an academic year. These are recorded on the SIMS, and students also record their achievements in Unifrog as part of their record of achievement.

Detentions & Sanctions

Detentions

The following type of detentions are held at Cayman Prep & High School

- Lunch Detention – 20 minutes at the beginning of lunchtime
- After School Detention– Tuesday 3:15–4:15pm

Please note, if detentions are after school we will contact home to let you know the date of the detention and we ask for support in students attending the detention to reflect on their behaviour.

All detentions will be logged. Teachers are aware that behaviour points are not the sanction but a log of the incident.

Suspensions and exclusion

Internal Suspension

Internal suspensions are utilised for any serious or severe breaches of the Code of Conduct. **Internal suspensions do not go onto a student's permanent record.**

For internal suspensions, students

- are to register with the relevant Pastoral Team member in the morning at 7.40am.
- will not attend timetabled lessons or break and lunchtimes with other students
- will spend a full day in school completing work set by teachers.
- They will be supervised by a member of staff and will have break and lunch separately from other students.
- The next day, the student will meet with the Pastoral Team member outlined in the letter.

External Suspension

- External suspension from school occurs when a student is asked not to attend school for a prescribed period of time.
- This is a sanction used for severe breaches of the Code of Conduct.

Permanent exclusion

- Permanent exclusion means that the child is no longer allowed to attend the school and their name will be removed from the school roll.
- Permanent exclusion is the most serious sanction at CPHS and will be used if a student severely breaches the Code of Conduct.

Investigating Behaviour Incidents

Investigating incidents

In the event a member of staff feels a behavioural issue or incident is in the serious or severe bracket and needs to be dealt with at a higher level, the member of staff should either log the incident on SIMS or CPOMS, depending on the nature of the incident. Subsequently, they should refer to the relevant Head of Faculty, High School Leadership Team or Pastoral Team member as appropriate.

1. When a severe breach of the Code of Conduct is made, it will be logged and passed onto the relevant member of the High School Leadership Team, Pastoral Team or Head of Faculty.
2. Where applicable, the student(s) involved will also be addressed regarding the matter and personal accounts taken. A "Personal Account Form" will be completed and will be uploaded onto the SIMS/CPOMS for all key pastoral members of staff to review.
3. The reported incident will be investigated as soon as possible by Head of Faculty, High School Leadership Team or Pastoral Team, and parents will receive an initial email or phone call explaining the incident and will outline either the resolution or if further time needed for investigation.
4. The Head of Faculty, High School Leadership Team or Pastoral Team will make a note on SIMS CPOMS if there has been a serious or severe breach is confirmed and provide additional comments on SIMS /CPOMS regarding the actions taken.
5. Pupils involved in the incident will face appropriate school sanctions in line with the Code of Conduct. *Persistent offenses or acts of severe aggression may result in permanent exclusion from the school, and the incident may be reported to the police.*
6. Once confirmed, a member of the pastoral team will contact parents to inform them of the applied sanction, and or resolution.

Please note that the school does not discuss the details of sanctions applied to other students, as it is our policy to maintain confidentiality and privacy in such matters. All cases are handled with a duty of care to all students involved in any breach of the Code of Conduct, and members of staff and the Pastoral team will make every effort to remedy the situation, as is feasible.

The School reserves the right to address students individually or together at any time, including during an enquiry into any incident that may result in action under the Code of Conduct, without parents/guardians being present.

Parents – handling pastoral and academic queries

Attendance and Punctuality

OES Standards for attendance

- **Excellent:** Attendance for each term is at least **98%**. Students are punctual in arriving at school and for lessons throughout the day.
- **Good:** Attendance for each term is at least **96%**. Students arrive in good time for school and for lessons throughout the day.
- **Satisfactory:** Attendance for each term is at least **94%**. Students are in good time for the start of the day and for lessons throughout the day.
- **Weak:** Attendance is below **92%** per term. The student regularly arrives late to school and for lessons.

Absence

Parents must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 8:00am or as soon as practically possible. If a child is absent for more than one day, the parent should **contact the school each day** to provide an update on the child's condition, unless otherwise agreed by the school.

Parents must notify the school either phoning (949-9115) the office by as early as 7.30am or emailing HS Attendances hsattendances@cayprep.edu.ky and cc in your child's tutor.

Parents may self-certify for the first two days of absence due to illness. From day three onward, we request a doctor's note to be emailed to both HS Attendances and the tutor.

Understanding the register and attendance codes.

The attendance register will be taken at the start of the first session of each school day after students return from lunch. It will mark whether every student is:

- Present (/)
- Attending an approved off-site educational activity (B)
- Approving Educational activity on site (G)
- Absent - authorised (C) and or unauthorised (O)

Students must arrive in school by 7:40am and be in tutor for 7:45am on each school day. The register will be taken at 7:45am and will be kept open until 7:59am. If the student arrives after 7.50am, they will be recorded as late (L). If a student arrives after 10am, this will be classified as an unauthorised morning (O).

Lateness and punctuality

Students arriving after 8am must report to the School Office immediately to be registered before going to lessons.

Please note that students who arrive after 7.50am will be marked as late. Students will be required to attend detention based on the number of lates.

Four lates in a two-week cycle = lunch time detention

A further four lates in a two-week cycle = after school detention

A further four lates in a two-week cycle = after school detention and telephone call between home and tutor.

In the event of persistent lateness, we will handle each case individually and may need to implement consequences, including the possibility of losing privileges. However, please be aware that if your child's lateness is due to circumstances beyond their control, such as severe weather or an unforeseen traffic incident, we will notify their tutor not to mark them as late.

Medical or dental appointments

Missing school for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we strongly encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the student should be out of school for the minimum amount of time necessary. Parents can notify the school in advance of a medical or dental appointment through the High School Office 949-9115 as early as 7:30am or emailing HS Attendances and cc in the Form tutor.

Authorised & Unauthorised Absence

The school follows the OES guidelines for attendance. Authorised absence means that the school has either given approval in advance for a student to be away from school or has accepted an explanation offered afterwards as justification for absence. All other absences will be recorded as unauthorised.

Cayman Prep and High School

At High School, students will be monitored on a case-by-case basis, however, if there is no improvement in attendance, the following sanctions may apply:

- Contact home to parents by tutor, Head of Year (concerning)
- Mandatory attendance to afterschool study sessions
- Letter from Attendance team (serious concern)
- Letter from Head of Pastoral Care and Student Services (severe concern)
- Loss of Privileges: including, but not limited to, participation in extracurricular activities, interhouse competitions, trips, school team or event representation, off site educational activities, or eligibility for certain awards.
- Attendance meetings with the Attendance Officer, counsellors and or pastoral team
- Attendance meeting with Head of Pastoral Care & Student Services or Principal
- Suspension in more severe or repeated instances
- Re-integration meeting with Head of Pastoral Care & Student Services, SENCO, Counsellor or as appropriate
- Director and/or outside agencies involved
- Student removed from school roll (attendance is below 60%).

Lunchtime arrangements

The school's caterer 'Food for Thought' offers a choice of snacks/drinks at break time for students to purchase. Hot and cold lunches are available each day in the canteen. These should be pre-ordered and paid for in advance

Students may also bring in their own snacks / lunches and these should be stored in the canteen, clearly labelled with the child's name, before school begins.

Lunches must not be dropped off for students during the school day, unless permission has been granted by the school office. The school office is not able to store student lunches, so we would ask all parents to either send students into school with a packed lunch or buy a hot lunch from Food for Thought. To adhere to our healthy eating program at school, fast food and any unhealthy foods are not permitted to be dropped off at the school at any time during the school day. If seen, it will be confiscated, and parents will be asked to pick it up at the end of the school day when they collect their child.

School Lunches (Food for Thought)

Below is a rundown on how our system works

1. Menus posted on 16th of each Month online and emailed from CPHS office
2. Please complete the order form and return it to the CPHS office or email the form or details of your order to Food for Thought at info@foodforthought.ky
3. Payment should be made by 22nd of the month:
 - a. By leaving a cheque/cash with your order form at school office
 - b. Pay online to Butterfield **BOB KYD Account # 02101 037369** please reference your child's name and class or year group. Please email a screenshot of payment confirmation with your order.
 - c. Pay by card at our FFT offices, located at D1, Cayman Business Park, Elgin Avenue. Our Offices are open Monday – Friday from 8:00am – 5:00pm and 9:00am – 1:00pm Saturdays.

We understand orders can't always be made in advance. We accept orders up to 10am on the day the student must bring cash or the parent must pay online. Please understand due to the rising costs of food we cannot always meet demand for orders made after 10am but we will try our best.

Please note we will be selling PIZZA by the slice (\$2.50 per slice) on the of each month. This will be sold on a cash only basis.

For new parents if you wish to discuss further your child's needs and the process on how our system works you can contact Wayne on 938-3663 or Rachel on 927-9229 & they will be happy to assist.

Homework and the school curriculum

The school regards homework as an important part of every pupil's educational experience. We value a healthy balance of academic achievement with all that the school offers outside the classroom through an enriching extra-curricular activities program, in addition to meaningful time with family and friends. Careful thought is given to the nature of the assignments set as homework. Homework is set according to a timetable published each August. Form Tutors will share the timetable with their tutees at the start of term.

Duration of Homework

The time it takes for a student to complete the homework should not exceed:

Year 7: 20 minutes

Year 8: 20 minutes

Year 9: 20 minutes

Years 10 and 11: 30-40 minutes

Year 12: a maximum of 2 hours per piece where necessary (for example, a timed exam practice)

Teachers will follow the code of conduct where students do not complete homework on time.

The below table indicates how many homework pieces should be set by each subject per fortnight.

	Year 7	Year 8	Year 9	Years 10 &11
English	2	2	2	2
Maths	2	2	2	2
Science	2	2	2	6 (2 for each discipline)
French	1	1	1	2
Spanish	1	1	1	2
Geography, History	2	2	2	N/A
RE	2	2	2	2
Art, Drama, Music	One project per term			N/A
Option subjects	N/A			2

The School Curriculum

The High School curriculum is broad, balanced, dynamic and innovative. Students will experience a range of topics across the subjects and have access to a wide range of resources. Whilst our curriculum is based on the British National Curriculum, it is very much a global curriculum with aspects of work covering topical issues and histories in the Caribbean, and indeed, all over the world reflecting our diverse make up of students and staff.

In Year 9, students will select their option subjects for GCSEs and there is a parent information evening to inform parents further regarding the choices available to students as they enter Years 10 and 11. More information can also be found in our school's curriculum guides on our website.

We follow the Cambridge International Examination syllabi for the majority of our subjects at GCSE, with RE and PE following the WJEC course. At A-level, we use a combination of CIE, WJEC and Pearson across the A-level curriculum of which more details are in the curriculum guides for the appropriate Key Stage.

Mock and External Examinations and Internal Assessment Week

Mock Examinations

Mock examinations take place at the start of the calendar year for all students in Years 11-13 and last about two weeks. The specific dates are shown in the school calendar. During the written mocks, students will be on study leave to help them thoroughly prepare for each component. Practical exams will take place towards the end of Term 1 during lesson time (there is no study leave for the practical exams).

Mock examinations are incredibly important for several reasons. They:

1. Motivate students to start revision early
2. Allow students to practise effective revision strategies
3. Improve knowledge
4. Enable students to practise under exam conditions
5. Identify topics that need attention
6. Help teachers understand what students need more help with

Following the mock examinations, a report will be sent home to inform students and parents of progress and there will be a chance to discuss strengths and areas for improvement in a subsequent Parent Student Teacher Consultation.

External Examinations

Prior to the Exam

Students will be issued with an exam timetable. Please ask your child to review the timetable carefully and highlight their own exams. They need to take careful note of the start times and ensure that they are in school at least 20 minutes before the exam is due to start. All Cambridge International Assessment Examinations will finish at noon if they are morning exams, or 4pm for afternoon exams. This is a time set by the exam board and if the student is not supervised at this time we cannot submit their exam script for marking. **Those students who are eligible for extra time must pay careful attention to the start and finish times (in red), as on many occasions their exam will start prior to the main exam start time.** If there are any questions about the timetable, please do not hesitate to contact our Exams Officer by email carol.smith@cayprep.edu.ky. All WJEC /Pearson exams will all start at 8am. If your child is sitting one of these exams, they will have been given an overnight supervision form which must be completed and returned for them to be able to sit the exam.

All students need to provide their own equipment in a clear zip lock bag. They must answer all exams in pen so please ensure they have enough to see them through the exam period. The WJEC rules are that they answer the exam in black pen so we would suggest they use black pen for all exams, including the Cambridge International Assessment Examination ones, to limit the chance for a mistake to be made. Other important items which are sometimes forgotten are: scientific calculators, sharp pencils, protractors, 30cm ruler and coloured pencils (geography students only). We have a few spares but cannot guarantee we will be able to provide equipment during an exam so it is important the students come prepared. Students may also have water but it must be in completely transparent bottles, with labels. Please note that students may not wear watches for exams.

All students must be in full school uniform, including shoes, hair, jewellery and no make-up, any time they are in school. If they turn up for an exam in incorrect uniform they will not be permitted to sit the exam. **This includes exams that are on the public holidays.**

All students must **sign in** with the security guard when they arrive at school and **sign out** again when they leave. We need this information in case there is an emergency at school, and we need to know who is on site. We would advise that the students get a good night's sleep and have a good healthy breakfast/lunch before their exams, to make sure they are as prepared as possible physically; cramming at 3am often does more harm than good! Other advice you could give them would be to read the instructions and questions carefully, answer the questions set and consider their timing in exams. They also need to remember to read the whole paper – it is very easy to miss the back page!

[On the Day of the Exam](#)

Students should assemble in the gazebo 20 minutes prior to the start of the exam. If there are any problems on the day of an exam, please call the school or Exams Officer immediately and any necessary arrangements will be made.

There will be a place for students to leave their bags during the exam. They need to ensure their cell phones are switched off and left in their bags. They **MUST NOT** have any form of device on them during any exam including smart watches; these must also be left in their bags. Students may not wear watches, whether digital or analogue. There are large clocks on the wall so everyone should be able to see the time.

The exam boards take misconduct very seriously, as we do as a school. Please make sure that your child is aware that they could lose all their grades if they cheat in any exam. This includes communication with other candidates and taking notes, phones or smart watches into the exam.

[After the Exams](#)

Please note each student will be emailed a log in due course to access their Cambridge results on the day. Due to Data protection the login details can **only** be emailed to the student.

WJEC (PE / Religious Studies / Music / Maths / Psychology) & Pearson (History / Art) results can be collected on the day from the school. The date that the results will be released will be shared with parents and students nearer the time.

[Internal Assessment Week](#)

At the end of the summer term, all students in Years 7-10 will sit an end of year exam. The dates of these exams are published in the school calendar. These exams facilitate working through some of the nerves which they may inevitably experience and also allow students to identify areas to revisit in more detail in the future.

A month prior to the start of the exams, students are issued with a Study Guide to help them prepare for these exams. This guide includes lots of tips to help plan their revision. The exams will either take place in the multi-Purpose Hall or in a designated classroom. This information will be shared in May. Students that have exam accommodations will be generally in rooms 42 or 43 and will be informed by the Support for Learning department in advance. Students requiring extra time should carefully study their exam timetable as their start times may differ from the rest of the year group. In most cases, students will be able to study before each exam. There will be a timetable for each class indicating their study rooms. Students should bring suitable materials to aid their revision, and remember that phones are not permitted in school, even as a tool for revision. All exams are expected to end at 3.15pm.

Students should arrive at registration at the normal time. Your child must ensure that they have all the equipment that they are going to need for the day. General equipment includes: blue or black pens, pencils, ruler, eraser, pencil sharpener, calculator, maths equipment, coloured pencils. This needs to be in a clear zip-lock bag (or totally see through pencil case). No student is to use a calculator app on a phone as their calculator. Students may take water to the exam room (clear bottles preferred) but it must be placed on the floor.

There are many students in school with smart watches, and so our school policy is that there should be no digital watches worn in any exam. They must leave them in their bags, turn them in before the exam starts or leave them at home. No phones or other devices are allowed in the exam room at all.

Tutors will also ensure that each day they remind students of the exam for the day and make sure they have all the necessary equipment with them.

Afterschool Collection Policy

On admission to the school, parents are asked to complete specific information regarding contact information. Please ensure that this remains current and contact the school office if there are any changes.

At High School, there is designated supervision during school operating hours from 7.30am until 4pm. To account for traffic, the School operates on site provision from 3.15-4pm whereby students can either use the school library (when supervised) and or remain under the gazebo area until pick up from parents. KS5 students may remain in the Sixth Form Common room.

To ensure safeguarding, students are not permitted to enter any classroom or learning space without the direct supervision of a member of staff.

Students must be collected before 4pm unless they are involved in a school club or activity. **Students must not remain on the school campus after 4:00pm and will need to leave the site at 4pm.** A member of staff will be on duty until 4pm during which students will be in private silent study.

Parents and Guardians

On Site Collection

Considering the above, parents and guardians are responsible for ensuring that your child/children are collected before 4pm, unless involved in activities, clubs or fixtures with direct supervision.

Please note that students are not allowed to use the verge area outside of school as a collection point and if seen, they will be given a lunch detention (20 minutes). We ask that parents support the school. Students should only wait for collection in the covered Gazebo area, where supervision, water and shade is provided, and not by the verge after school. As parents, please arrange an agreed safe location for pickup, away from the front of school, if this is not on the school site, and at the gazebo as we advise.

Please note that as per our Mobile Phone/ Personal Devices Policy, students are not allowed to use mobile phones on school site. Consequently, we ask that as parents and guardians, you please support the school by informing your child/ren not to communicate via a portable/personal device during the school day and on school site, but to communicate all information/messages via the school office. We also ask that you arrange adequate provision for your child/children to leave school independently or be picked up by 4pm.

Off-Site Collection

For any educational event or visit that leaves the school grounds, staff are expected to complete a risk assessment and to ensure that parents are adequately informed regarding the collection of students after whole school events.

A register of all students is taken, prior to the commencement of the off-site school event, prior to the return journey and at any other relevant stage.

Consequently, we ask that as parents you ensure the following:

- You read through all information regarding collection for set off site school events
- Ensure your child/children are collected within 15 minutes of the time stated
- Inform the school and teacher directly involved via email or written consent, in advance of the event if you have made preparation for your child/children to leave the off-site school event independently.
- Contact the school by phone and teacher directly involved via email immediately if there are unforeseen circumstances that have led to you being prevented from collecting your child/children on time.

Mobile Phones & Personal Devices policy

Students are permitted to bring personal/portable digital devices to school, subject to the following guidelines. Students who choose to bring such devices are responsible for familiarizing themselves with and adhering to these guidelines. The decision to provide a device rest with parents or guardians, who assume full responsibility for allowing their child to bring the device to school and ensuring compliance with the policy. The school will not accept responsibility for the loss, damage or theft of a personal portable digital device.

Years 7-11

- All portable/personal devices must be switched off always during the school day from 7:30am to 4pm and must be stored in school bags or locked in their lockers.
- **Mobile phones and personal devices** are not to be used or seen or heard on the school premises. A student may use a mobile phone only after they have left the school site.

Key Stage 5

Students may use a portable device (**not a mobile phone**) during a lesson if given express permission by the classroom teacher. Headphones and or earphones are **only** permitted to be used during lesson times with the express permission of the teacher. *Please note that headphones and earphones may only be used in lessons specifically with portable devices such as laptops and tablets (not mobile phones).* After the completion of the lesson, personal devices must be switched off and stored securely. Likewise, headphones and or earphones must be put away before students leave the classroom. Sixth form students may use a portable device (**not a mobile phone**) in the canteen or during study periods if they are studying. *Headphones and earphones will not be permitted in the canteen area when students are using portable devices.*

- **Mobile phones** are not to be used or seen on the school premises. A student may use a mobile phone (as well as earphones and or headphones) **only** in the sixth form common room area (this includes the benches immediately outside the sixth form common room) or after they have left the school site. The same rule applies for earbuds and earphones.

Consequently, all students must report to the office if they wish to contact parents or guardians as mobile phones should not be seen or heard on site at all. The office is staffed from 7.30am until 4pm.

UNACCEPTABLE USE

- Portable/personal devices must not be used to take images or videos on site.
- Portable digital devices must never be used during the school day to **post any** information.
- Portable digital devices must not be used to communicate with others or external people using social media, and or other messaging platforms.
- Portable devices may only be used to communicate when directly related to the academic learning of the pupils and with the express permission of the member of staff (for instance, the use of Microsoft Teams for Teaching and Learning purposes).
- Cyber-bullying, which encompasses various forms of online harassment, including but not limited to: sending bullying texts, messages, or making calls via mobile phones; using mobile phone cameras to intentionally distress, frighten, or humiliate others; sharing threatening, abusive, defamatory, or humiliating content on websites; impersonating someone else and hijacking their email accounts; making derogatory, abusive, defamatory, or humiliating remarks in chatrooms; and posting offensive, abusive, defamatory, or humiliating material on social networking or reunion websites.
- It should be noted that it is a criminal offence to use a portable device to menace or harass another person. Hence students must not engage in personal attacks, send photographs or post private information about another person through any form of digital media at any time.

Please note that the School has the final decision on defining unacceptable use of technology on school site and any decision will be at the discretion of the Pastoral and Senior Leadership team. Consequently, the school reserves the right to check the content stored on the device, if applicable.

CONSEQUENCES:

Failure to adhere to the requirements listed above will result in the application of the following sanctions and consequences.

If a mobile phone is seen or heard on site, and or a portable digital device is used inappropriately, and or without express permission, the device will be confiscated, and parents/guardians contacted.

Lengths of confiscation:

- 1st incidence – 24 hours
- 2nd incidence – 3 Days
- 3rd incidence – 1 week
- 4th incidence – until the end of term and item is collected by a parent/ guardian.

The incident will be recorded on the SIMS with time, date and circumstance. The member of staff who confiscated the mobile phone or personal device will email home outlining the date of confiscation, alongside the return date of the mobile phone or personal device.

Moreover, if an offence were to occur later in the week (e.g., Friday), and depending on the time frame required, then the mobile phone will remain on school site until the next working day. If an offence were to occur before a school holiday, the device will be returned on the next working school day after the holidays.

Please be aware that the final decision regarding the confiscation of personal/portable devices rests solely with the Pastoral and Senior Leadership Team, and not with parents and guardians

Students can only collect their mobile phones from the school office at the following times 7.30am-8am and 3.15-4pm.

It is only on the fourth incidence where parents or guardians are required to collect the mobile phone or personal device during the following times 7.30am-8am and 3.15-4pm. When a parent or guardian is picking up a device, they need to make an appointment with the relevant Pastoral Leadership Team member before they pick up the device.

PARENTAL SUPPORT:

- Parents, please communicate with the school via the school office for any student related messages during the school day.
- Please ensure that you and your child are aware of the personal/portable device policy consequences and support the school in ensuring full compliance with the policy.
- Please support the school by informing your child/ren not to communicate via a portable/personal device during the school day and on school site, but to communicate all information/messages via the school office.
- Ensure your child/ children arrive at school in time to register and are collected before 4pm, unless involved in activities, clubs or fixtures.

One to One Device Policy

It is expected that students adhere to the established guidelines for appropriate behavior concerning the use of school devices. Failure to meet these expectations will be sanctioned according to our Code of Conduct.

Student Device Use

Students in years 7-11 are allowed to use their school devices only during lessons, in the library, or with explicit permission from a teacher. Usage of school devices in the communal areas such as the canteen area, gazebo, or outdoor spaces outside of designated lesson times is strictly prohibited. Any violation of this policy will result in sanctions in accordance with the Code of Conduct.

Sixth Form students are permitted to use school devices in any area of the school.

Safeguarding & Child Protection

To ensure the safety and well-being of our students, during school hours, from 7:45am to 4:00pm, all devices will be monitored using Senso software. This monitoring allows us to identify any instances where students may have inappropriately accessed information or engaged in activities that could potentially endanger themselves or others. In such cases, the school will adhere to the Cayman Prep and High School (CPHS) Child Protection, Data Protection and Anti-Bullying policies to ensure the child's safety. As part of this process, parents and guardians will be contacted if necessary.

It is important to emphasise that outside of the stipulated school hours, the responsibility for monitoring and overseeing the appropriate use of the school device rests solely with parents and or guardians. It is crucial for parents and guardians to play an active role in ensuring that the device is utilised for its intended purposes, as outlined in the school's policy. This includes reinforcing responsible online behaviour, guiding the student's activities, and regularly discussing their device usage.

Student Misuse Examples

The list below details examples of student misuse pertaining to school devices. Please note that the School has the final decision on defining unacceptable use of technology on school site and any decision will be at the discretion of the Pastoral and Senior Leadership team.

Student Misuse examples	Sanctions & Consequences
Concerning or Serious misuse • Off task behaviour: multiple tab use, being on the wrong sites or working on other student's work, willingly posing for photographs, playing with device when respectful silence has been requested • Playing music, games or videos instead of completing work • Sharing editing permissions on online platform to allow other students to complete work on your behalf • Deleting the work of another student • Sending inappropriate messages to other students on a school device using a messenger app or service • Defiance: refusing to shut down or close lid when requested or refusing to close inappropriate tabs or apps • Being unprepared: School laptop not sufficiently charged*; No earbuds; No School laptop in class • Using their school device outside permitted parameters *The device should be fully charged in the morning. Teacher discretion will be used for afternoon lessons due to use throughout the day.	These types of behaviours constitute as either concerning or serious on the Code of Conduct and the following sanctions may apply: • Verbal Warning • Lunch time detention • After-School detention • Confiscation • Contact Home • Senior Leadership Detention • Payment required for goods

Visitors to School Policy

Cayman Prep & High School assures all visitors a warm, friendly and professional welcome to our school, whatever the purpose of their visit. At the same time, the school has a legal duty of care for the health, safety, security and wellbeing of all pupils and staff. In performing this duty of care, we recognise that there can be no complacency where child protection and safeguarding procedures are concerned. The school therefore requires that all visitors comply with the following policy and procedures. Failure so to do may result in the visitor's being escorted from the school site.

Protocol and Procedures Visitors to the School

- At times when the security gates are closed, to gain access to the site, all visitors must stop at the gate and speak with the security guard, explaining who they are and the purpose of their visit.
- Once on site, all visitors must report to reception first. No visitor is permitted to enter the school via any other entrance under any circumstances.
- At reception, all visitors must state the purpose of their visit and who has invited them. They should be ready to produce formal identification upon request.
- All visitors will be asked to sign the Visitors Sign-in Sheet, which is always kept in reception making note of their name, the date, reason for visit, mobile number, time in and time out.
- All visitors will be issued with and required to wear an identification badge – the badge must remain visible throughout their visit.
- Visitors will then be escorted to their point of contact OR their point of contact will be asked to come to reception to receive the visitor. The contact will then be responsible for them while they are on site. The visitor must not be allowed to move about the site unaccompanied unless they are registered on the Approved Visitor List.

Please note that for whole school planned events such as PSTCs, Information Evenings, Options Evenings and or school concerts, parents and guardians do not have to sign into reception but are to go straight to the designated spaces for the intended event.

Before School and Afterschool

- Please be mindful that the visitor policy above still applies before and after school, if you wish to gain access to the school building, teachers and or other members of staff.
- After school, students are asked to remain in the Gazebo area. Parents and guardians may go to the Gazebo area if you are unable to find your child. However, if your child is not under the Gazebo, then please go to the school office, and or speak to a member of staff on duty, who will be able to help you locate your child. Parents must not enter the school building without signing in and meeting their school contact first.
- If you wish to speak with a member of staff, then please can you arrange a meeting in advance (via email and or phone call) and follow the procedures above.
- If the matter is urgent and you need to speak with a member of staff, then please go to the reception area and ask the school office, who will direct you to the appropriate person.

Anti-Bullying Policy

The ethos of Cayman Prep & High School (CPHS) is to establish a secure and nurturing environment that promotes learning, growth, and progress for all students. CPHS is dedicated to safeguarding its students against any form of bullying. The school firmly believes that every student deserves a secure, supportive, fair, and bully-free educational environment.

Every individual within the CPHS community, including students, teachers and support staff, should be able to exist without the fear of bullying. It is important that everyone feels empowered to voice their concerns and report any instances of bullying, knowing that their voices will be heard and that thorough investigations will take place.

Bullying (including cyber-bullying) is a serious offence at CPHS and is not tolerated or accepted. The Code of Conduct will be applied, and in extreme cases, may lead to permanent exclusion.

Parents & Guardians

If parents have concerns that their child may be experiencing bullying, they are advised to reach out to the Form Tutor, Head of Year and or any other pastoral member of staff. It is important for parents to be ready to discuss any signs, symptoms, or suspicions they may have regarding the individuals involved in bullying incidents.

Parents are requested to allow the school to conduct the initial investigation, as attempting to resolve the issue independently could potentially exacerbate the situation.

Parents should encourage their child to first speak with their Form Tutor, Head of Year, or another staff member.

Students

If a student believes they are being bullied, suspects someone else is being bullied, or has any concerns related to bullying, they have multiple options for reporting.

- They can approach any adult in the school, such as their Form Tutor, Head of Year, Teacher, School Counsellor, Head of Pastoral Care & Student Services, Nurse, staff member in the office, or any trusted person they feel comfortable confiding in about the incident.
- Safeguarding posters are displayed throughout the school, encouraging children to seek help if needed.
- To ensure confidentiality and convenience, there is a 'Pastoral Microsoft Forms' available for anonymous reporting or for those who prefer an adult to initiate the conversation.
- Students who are experiencing or suspect bullying will receive appropriate support, while those who engage in bullying behaviour will also be provided with guidance and assistance, in addition to any necessary disciplinary measures.

Members of staff

In cases of reported or suspected bullying, staff will:

- Clearly communicate to students that bullying is not acceptable.
- Educate students on how to cooperate in preventing bullying through means like posters and newsletters.
- Respond immediately when a student reports a bullying incident by referring it to the Pastoral Team.
- Document the incident and actions taken for both parties on SIMS.
- Maintain vigilance and proactively address bullying during various school periods and transitions.
- Document the incident against the student displaying bullying behavior on the SIMS.
- Implement rewards or incentive programs to encourage positive behaviour and discourage bullying.

- Listen to and value what the victim says, ensuring their voice is heard and respected.
- Follow the standard procedures of the behaviour referral system, unless expedited action is necessary to assist the victim or perpetrator.
- Provide an immediate opportunity for victims to discuss their experience with the counsellors.

Procedures for the investigation of bullying and sanctions

At CPHS (Cayman Prep & High School), all reported bullying incidents are entered onto SIMS. Reporting, actioning, reviewing and record keeping are all done through SIMS.

1. When an allegation of bullying is made, parents will receive an initial email or phone call explaining that an investigation will be conducted.
2. The reported incident of bullying will be investigated as soon as possible by members of the Pastoral Team, which include, but are not limited to, Form Tutors, Heads of Year, Key Stage Coordinators, School Counsellors, Nurse, Head of Pastoral Care & Student Services.
3. The pupil(s) involved will also be addressed regarding the matter and personal accounts taken. A "Personal Account Form" will be completed and will be uploaded onto CPOMS for all key pastoral members of staff to review.
4. The pastoral team will make a note on SIMS if a case of bullying is confirmed and provide additional comments on SIMS regarding the actions taken.
5. Pupils involved in bullying will face appropriate school sanctions in line with the Code of Conduct. *Persistent offenses or acts of severe aggression may result in permanent exclusion from the school, and the incident may be reported to the police.*
6. A member of the pastoral team will share the investigation's findings with the parents according to the proposed communication methods of the Anti-Bullying (School) regulations (2022) guidance:
 - The findings on whether the allegations of bullying and retaliation are substantiated;
 - The steps taken or proposed to be taken to protect the student who was bullied or retaliated against;
 - The support that will be provided to the student bullied in response to the harm that resulted from the bullying or retaliation;
 - The support that will be provided to the student who engaged in the bullying or retaliation;
 - An assurance of the application of the Code of Conduct.

Please note that the school does not discuss the details of sanctions applied to other students, as it is our policy to maintain confidentiality and privacy in such matters.

A corresponding log may also be kept on CPOMS for safeguarding reasons

For detailed information on anti-bullying measures, please see the CPHS Anti-bullying Policy.

Searching and confiscation of Prohibited items Policy

The school follows the legislation and Ministry of Education advice when confiscating items from students, which is outlined in their document “Searching, Screening and Confiscation – Advice for School Leaders and Staff– 2017 (A copy of this document is available from the school on request or to download from the Ministry website).

If there is a suspicion that a student has in their possession any items that are deemed ‘prohibited’ either by the school or the Ministry of Education document “*Searching, Screening and Confiscation – Advice for School Leaders and Staff– 2017*, a school leader or a member of staff authorised by a school leader is authorised to conduct a search **without** consent from the student. Best practice is to have two members of staff present for any search.

‘Prohibited items’ include but are not limited to:

- knives or weapons
- Alcohol
- illegal drugs
- stolen items
- tobacco and cigarette papers
- Fireworks
- pornographic images
- Any type of ‘toy’ gun such as air rifles, BB guns, pellet guns, popguns or wind guns
- Any type of item that imitates an illegal weapon or substance
- any article that a member of staff reasonably suspects has been, or is likely to be, used to commit an offence or to cause personal injury to, or damage to the property of, any person (including the student)
- Vaping devices/ Electronic cigarettes/ Cigarettes or any other item considered to have negative side effects on a student’s health
- Any item that may lead to substance abuse (The use of illegal drugs or alcohol)
- an offensive weapon, prohibited weapon or restricted weapon as set out in the Penal Code (2013 Revision);
- a controlled drug listed in Part 1 of Schedule 1 of the Misuse of Drugs Law (2014 Revision);
- a stolen article; or
- an article of a kind specified by the Director of the Department of Education Services or CPHS board of Governors.

School staff can seize any prohibited item found because of a search. They can also seize any item found during a search which they consider may be used to harm another person or damage property, as well as anything they reasonably suspect is evidence relating to an offence. As such they will be confiscated and retained or disposed of in accordance with current legislation

Please see the CPHS Substance Abuse Policy and the HS Code of Conduct Policy for more information.

Substance Abuse Policy

Selling, distributing or possessing drugs:

Where there is evidence, or reasonable suspicion, that a student is in possession of drugs, either for personal use or to sell or distribute, the Pastoral Team will interview the student in the presence of a member of the High School Leadership Team, Principal or Director.

An immediate search may be carried out by a member of the Pastoral Team or High School Leadership Team in the presence of another member of staff, and an investigation into the alleged offence will commence.

If evidence of an offence is found the school will notify the parents or guardians of the student, and the Chairman of the Board of Governors. A record will be made in the student's personal file and the student will be expelled. If, following an investigation, the school decides that the student is not guilty of an offence, the matter will be closed.

Suspicion or evidence of consumption:

Where there is reasonable suspicion of substance abuse consumption, one member of the Pastoral Team or High School leadership team alongside another member of staff will conduct a search of the student's property and non-contact search of the student.

Any suspicion of consumption will be logged on to CPOMs for the awareness of the safeguarding team.

Where there is repeated suspicion of consumption, then contact home will be made with parents, and where necessary, a meeting arranged with parents to put certain restrictions in place to safeguard the student.

If found in possession of a prohibited item linked to substance abuse, it is classified as a severe breach of the Code of Conduct.

If not found in possession of a prohibited item linked to substance abuse, but where there is reasonable suspicion that a student has consumed drugs, the following will apply:

- The student(s) involved will also be addressed regarding the matter and personal accounts taken. A "Personal Account Form" will be completed and will be uploaded onto the SIMS/CPOMS for all key pastoral members of staff to review.
- the parents will be notified that the student will be required to undergo a drugs test to determine whether consumption of an illegal substance has taken place.
- Refusal to undergo a test will be treated as if the test has proved positive.

Following a refusal to test or a positive test result for a first offence, the student will be externally suspended from CPHS for a period of up to five days. Readmission to the school will be at the discretion of the school and will require a written agreement to counselling and regular future testing for illegal drugs. A record will be made in the student's personal file.

A second 'positive' test will result in the Principal recommending to the Director that the student be expelled from CPHS. The Director will notify the Chairman of the School Board of all actions taken.

Tobacco/vapes/nicotine

Where there is evidence, and or reasonable suspicion, that a student is in possession of a vape, tobacco, e-cigarettes, e-cigarette paraphernalia or nicotine products either for personal use or to sell or distribute, then one member of the Pastoral Team or High School leadership team alongside another member of staff will conduct a search of the student's property and non-contact search of the student.

Any suspicion of vaping will be logged on to CPOMs for the awareness of the safeguarding team.

Where there is repeated suspicion of vaping, then contact home will be made with parents, and where necessary, a meeting may be arranged with parents to put certain restrictions in place to safeguard the student.

If found in possession of such an item, it is classified as a severe breach of the Code of Conduct and the student will be externally suspended from CPHS for a period of up to five days.

If found in possession of such an item on more than one occasion, this may result in the Principal either recommending to the Director that the student undergo a further suspension of up to five days or be expelled from CPHS. The Director will notify the Chairman of the School Board of all actions taken.

If not found in possession of a prohibited item, but where there is reasonable suspicion that a student has consumed such items on multiple occasions, the following will apply:

A record of this will be made in the student's file

- A meeting arranged with parents to put certain restrictions in place to safeguard the student.
- The parents must agree to the student receiving counselling
- Any further suspicions of consumption will be sanctioned as severe according to the Code of Conduct.

[Alcohol policy](#)

The school has a responsibility to encourage students to make informed and responsible choices and, to this end, the subject of alcohol consumption is addressed through the PSE (Personal and Social Education) programme.

The rules of the United Church of Jamaica and the Cayman Islands forbid the consumption of alcoholic beverages on school premises. Additionally, the consumption of alcohol by persons under the age of 18 years, whether on or off school premises, is against the law.

The school rules, therefore, strictly forbid:

1. The possession or consumption of alcoholic beverages on school premises or on any field trip or activity organised by the school.
2. The possession or consumption of alcoholic beverages while in school uniform.
3. Coming to school under the influence of alcohol.
4. Giving alcoholic beverages to another student.

Disciplinary measures:

If a CPHS student is in breach of the school rules as outlined above the following action will be taken:

- The parents will be notified
- The student will be given a five-day external suspension
- A record of this will be made in the student's file
- The parents must agree to the student receiving counselling

The parents and student will be notified in writing that if there is a second alcohol-related offence the student will be expelled from the school

Use of Artificial Intelligence (AI) Tools

The following guidelines pertain to generative AI tools used to generate or edit text, images, videos, etc. such as Chat GPT and Grammarly.

While AI tools can be extremely helpful and productive, they should not be used for school assignments, unless expressly permitted by the teacher, and never for coursework to be submitted as part of the external exam requirements. The key thing to remember is that teachers and examiners can only give credit for a student's own, independent learning and thinking.

The school insists on the highest standards of integrity from students and is overt in our expectation of academic honesty at all times. **Parents/guardians should be aware that students' unethical use of AI software to produce classwork, homework, coursework or any other assignments, in whole or in part, without formal acknowledgement will be regarded by the school and the external exam boards as cheating or academic malpractice, and sanctions will be applied accordingly.** Unacceptable AI use, including plagiarism, exam (or coursework) misconduct/cheating and cyberbullying, will be dealt with according to the school's Code of Conduct. It may result in a detention, internal suspension, zero marks for the work in question (even if it is an exam or other formal assessment), withdrawal from an external exam course or other consequence as deemed appropriate by school staff.

In addition to our internal Code of Conduct, students and families must be aware that the external exam boards have very strict rules around the use of AI in the coursework that is undertaken by students years 10-13 for some subjects. Consequences may include: the grade for that subject being cancelled, the student being disqualified from all their subjects and/or all students in the class receiving 0 for their coursework.

Advice for Parents and Guardians

Where work is produced at home, parents and guardians – not the school – take on the supervision of students, including the responsibility for preventing the misuse of AI. In light of this, we offer the following advice:

- Parents/guardians are encouraged to personally monitor their child's completion of homework and coursework at home to ensure that he/she does not submit work that includes plagiarised material, particularly for external exam coursework. This includes the use of AI tools to improve written expression (spelling, grammar, etc.).
- We recommend providing a quiet *shared family space* (e.g. dining room) where work can be unobtrusively observed by parent or guardians.
- Families should discuss the benefits and drawbacks of AI, such as its tendency towards biases, hallucinations and disinformation.
- Parents/guardians should reinforce the importance of honesty and academic integrity, but also the benefits of perseverance and effort in school work.
- If you are in any doubt as to whether the use of an AI tool is acceptable, contact the relevant subject teacher or Head of Faculty for advice, before the work is submitted.
